Principal

Mrs. Meg Howard  
Assistant Principal

March 13, 2018

Dear Parent/Guardian(s),

In April, the Ben Franklin School will administer the Pennsylvania System of School Assessment (PSSA) to students in grades 3-8, in the areas of reading/writing and math. In addition, the PSSA will be administered to students in grades 4 and 8 in science.

Ben Franklin students who will participate will follow the below listed testing schedule including:

- ELA-Grades 3-8 April 9 -11, 2018
- Math-Grades 3-8 April 16 – 17, 2018
- Science- Grades 4 and 8 April 23 -24, 2018
- Keystone Testing-Algebra 1 Only May 14 – 15, 2018

Students and teachers have been preparing diligently for the PSSA since the beginning of the school year. Students are motivated to do well and we are looking forward to getting great results. Your support is essential for their success. Please be sure that your child is present and on time for testing. It is important students are well rested and eat breakfast at home or school every morning. Thank you for joining us in providing students with a positive testing experience and encouraging them to do their best!

Attached you and your child(ren) should read and review the information created by the Pennsylvania Department of Education regarding electronic devices, calculator use, student code of conduct, and frequently asked questions. If you should have any further questions, please contact the school at 724-439-5020.

Sincerely,

Mrs. Meg Howard  
Assistant Principal
