Homeless Liaison
Ext. 1611

October 19, 2020

Dear Parents, Guardians and Caretakers,

The Uniontown Area School District asks that you screen your child daily before leaving home for school/bus. Attached is a copy of the home symptom screening tool provided by the Department of Health and the Pennsylvania Department of Education to be used to conduct home-screenings. If your child is exhibiting symptoms that meet the criteria listed on the home screening tool, it is highly recommended that you keep your child home until symptoms have improved or resolved. We also recommend that you contact your doctor.

Please keep in mind, if your child is exhibiting these symptoms while at school, you will be contacted by the school nurse and arrangements will be made for your child to return home.

If you have any questions or concerns, please contact your school's nurse. Your cooperation and support are greatly appreciated during these unprecedented times. We look forward to our students returning to the buildings and are taking every precaution to ensure their safety.

Thank you,

UASD Administration and School Nurses
