Dear UASD Community,

We continue to share the most up-to-date information with you as we monitor the community spread of COVID 19 to make informed decisions to protect the health and safety of our students and staff.

With high numbers of new cases being reported, Fayette county remains at the substantial level of community spread for the week of December 18th – December 24th. The incidence rate increased to 575.7 residents infected per 100,000 and the positivity rate is now 24.5%.

Therefore, to help mitigate the community spread, it is necessary for **all UASD students to remain remote until Monday, January 11th.**

We must all work together at this difficult time in history to help our community stay healthy. We wish you a happy and healthy 2021!

Sincerely,

Charles D. Machesky Ed.D.
Superintendent of Schools
