PARENTAL REQUEST TO DENY USE OF STUDENTS' IMAGES 2020-2021

Ben Franklin School often showcases student achievements and activities through the use of photographs and videos in such places as the school website, social media, YouTube broadcasts, annual yearbook, and press releases to the local media.

If you **do not** want your child's image to appear in any identified photographs used by Ben Franklin School, please return this completed form to your child's homeroom teacher or the school office. This denial will apply for the entire 2020-2021 school year.

Please only fill out this form if you do not want your child's image used.
