BULLYING

Bullying means intentional electronic, written, verbal or physical act or series of acts directed at another student or students, which occurs in a school setting and/or outside a school setting, that is severe, persistent or pervasive and has the effect of doing any of the following:

1. Substantial interference with a student's education
2. Creation of a threatening environment
3. Substantial disruption of the orderly operation of the school

Bullying, as defined in our district, includes cyberbullying.

School setting means in the school, on school grounds, in school vehicles, at a designated bus stop or at any activity sponsored, supervised, or sanctioned by the school.

All forms of bullying are prohibited. If you have been bullied, you are to complete a green bullying sheet detailing the incidents and submit it to the office. These sheets can be found in each classroom, in the hallways, and outside of the office. The complaint will be investigated promptly and corrective action will be taken when allegations are verified.
